02 What this is

Two things: **her profile** (her as a person) and **her page** (the page fans follow). Both need a profile picture and a banner (the cover photo across the top). Made from the phone's Gmail.

> **ABOVE ALL**
> The phone **never** joins a Wi-Fi network: not the office, not home, not a café. Not once, not for a second. The only thing it ever connects to is **a phone's hotspot**: your own, or another work phone's.

03 Before you start

- ☐ The phone is set up and has its Gmail (SOPs: Setting Up the Phone, Creating a Gmail).
- ☐ The phone is on the hotspot.
- ☐ Her profile picture and a banner picture are ready (SOP: Creating Pictures).
- ☐ The company login sheet open.

07 Done means

- ☐ A profile and a page, both made with the Gmail.
- ☐ Both have a profile picture and a banner.
- ☐ Logins and the page name are in the company login sheet.
- ☐ Warm up: **TO BE FILLED** · Facebook day 1 warm up

08 Common mistakes

- **No banner.** An empty cover looks fake.
- **A phone number instead of the email.**
- **Reusing a password.**
